

# SHOWING AND HOME INSPECTION BEST PRACTICES

## PRECAUTIONS FOR BUYERS

Wash or sanitize your hands following each showing or inspection.

Drive your own vehicle to showings and inspections.

Wear booties or shoe coverings.

Refrain from touching surfaces unless necessary.

If you are ill, postpone showings. Inspectors can review remotely if you're unable to attend.

## PRECAUTIONS FOR SELLERS

**RESIDENTIAL  
WARRANTY  
SERVICES, INC.**

**INSPECTOR SERVICES GROUP**

Sanitize surfaces following each showing and inspection.

Leave cabinet and room doors open for buyers to browse without touching.

Provide hand soap and/or hand sanitizer to visitors upon entry.

Postpone showings or inspections if occupants are ill.

Taking precautions to ensure clients in the real estate transaction are protected from illness is a priority for us all. Taking the simple steps above and advising others if you have any illness is the responsible thing to do.
